

WEINGUT FRIEDRICH BECKER  
SCHWEIGEN-RECHTENBACH, RHEINLAND-PFALZ  
*ε An Evening with Fritz Becker*

## *Bas Rouge*

A trailblazer for German Pinot Noir, Weingut Friedrich Becker helped redefine what Spätburgunder (Pinot Noir) could achieve in the Pfalz region. Founded by Friedrich "Fritz" Becker Sr. and now led by Fritz Becker Jr., this family estate works limestone-rich vineyards on both sides of the German-French border, farmed organically with a deep respect for terroir.

Their wines are celebrated for purity, structure, and aging potential—combining Burgundian finesse with a distinctly Pfalz sense of place—and are consistently counted among Germany's top Pinot Noirs.
